**About the Arthritis Foundation**

The Arthritis Foundation is the leading health organization addressing the needs of some 46 million Americans living with arthritis, the nation's most common cause of disability. Founded in 1948, with headquarters in Atlanta, the Arthritis Foundation has multiple service points located throughout the country.

The Arthritis Foundation is the largest private, not-for-profit contributor to arthritis research in the world, funding more than \$400 million in research grants since 1948. The foundation helps individuals take control of arthritis by providing public health education; pursuing public policy and legislation; and conducting evidence-based programs to improve the quality of life for those living with

arthritis. Information is available 24 hours a day, seven days a week at 1-800-283-7800 or [www.arthritis.org](http://www.arthritis.org).
